## About Collegiate International School

Collegiate International School is an International School offering a student centered, inquiry-based learning environment for students from Pre-K to Grade 12. Bringing together the New York Next Generation Standards and the world class teaching and learning practices of the International Baccalaureate (IB), CIS prides itself on it's versatile and creative approach to education. Benefitting from the full range of IB programs, all students graduate with a NEASC accredited US High School Diploma. They may choose to add qualifications from a range of Advanced Placement (AP) and IB Diploma Courses or take the full IB Diploma. Whatever your child's strengths and passions, CIS has a program to help them achieve their dreams.

**The language of instruction at CIS is English.**

### Mission

To inspire students to achieve personal excellence, embrace diversity, and contribute positively to a global community.
