Head of Primary's Message

Dear DIA families,

A Little Light, Colour and Celebration! ✨

Firstly, I would like to wish all of our families celebrating Diwali this weekend a wonderful time with family and friends. Often referred to as the Festival of Lights, Diwali is associated with the triumph of light over darkness, good over evil and the importance of hope, kindness and new beginnings. To everyone celebrating, I hope the weekend brings plenty of joy, togetherness and special memories.
We certainly enjoyed a lovely moment this morning, with a wonderful parent-and-child dance during Footloose Friday.

On Monday, we will have an optional non-uniform day celebrating light and colour. Children are welcome to wear traditional clothing, something bright and colourful or simply their usual school uniform. The choice is entirely yours.

Some parents will also be joining classrooms to lead short, creative activities, where teachers have been able to accommodate these within their timetables. Thank you to those offering their time and to our teachers for helping make these opportunities possible.

A Wild Day Out with Year 2! 🦒

This week, I had the pleasure of joining half of our Year 2 students on their safari trip, and what a wonderful day of learning it was!
One of the things I value most about an IB education is the emphasis on helping children make connections between what they learn in the classroom and the world around them. Our Year 2 students have been exploring habitats, and there are few better ways to bring that learning to life than observing animals and their environments firsthand.

Trips are wonderful experiences in their own right, but when they connect so purposefully with the curriculum, their educational value becomes even greater. Thank you to Year 2 for inviting me along. I thoroughly enjoyed the company, the conversations and, of course, the animals!

Little Stars, Rising Stars… and 58 Early Birds! 🌟

In just three days, we have already had 58 children register for our new Little Stars, Rising Stars and Karam International Awards!
It has been wonderful to see such an enthusiastic response to these opportunities, which encourage children to challenge themselves, develop independence and demonstrate a wide range of skills beyond the classroom. As I mentioned in my earlier communication, one of the things I particularly like about these awards is the opportunity they provide for families to make memories together. Whether children are discovering a new interest, developing a skill or taking on a challenge they might not otherwise have attempted, there is plenty to gain from the experience.

Our first registration deadline is Monday 16 November, so if you are considering signing up, please do take a look at the information shared and register before the deadline. There was a slight error in the KG2 sign up where this year level were linked with Rising instead of Little Stars, this has now been corrected and all children in KG2 will be given the Little Stars book.

Sometimes the most valuable achievements aren't necessarily the biggest ones, but those moments when a child realises they can do something they previously thought they couldn't.

Deadlines and Payments 📅

A gentle but important reminder about Zenda payments and school deadlines. We work hard to give families as much notice and as many reminders as possible before registration and payment windows close. However, once a deadline has passed, we do not accept late payments or registrations.

I appreciate that this can sometimes feel frustrating, particularly when a deadline has only just passed. However, these boundaries are important for ensuring that activities and trips are organised safely and fairly. Confirmed numbers determine transport, staffing, supervision, bookings and many other arrangements that take place behind the scenes.

There are two particularly helpful things parents can do. Firstly, please check your Zenda app to ensure that any payment you have made is showing as completed. Secondly, if you are experiencing any difficulties, whether that is a payment issue or simply still deciding whether your child will attend, please contact the school before the deadline passes to seek guidance.

Importantly, without a confirmed payment and the associated consent, we cannot permit a child to attend a trip or paid activity. We are also unable to make last-minute calls to parents immediately before departure to resolve outstanding payments or permissions. At that point, our staff must be focused entirely on the children in their care and ensuring a safe, organised departure.

PTO

For reference, here are some key dates:
Year 4–6 Residential Camps - Closed
KG2 Teach Rex - Closed
KG1–Year 6: S4K The Ugly Duckling - Deadline Sunday 8 November
Little Stars, Rising Stars & Karam Awards - Deadline Monday 16 November
Year 1 Heritage Express - Deadline Monday 30 November

Thank you for helping us maintain a consistent and fair approach.

Ten Minutes, Plenty to Talk About! 💬
Finally, a huge thank you to all the parents who joined us for Parent–Teacher Conferences this week.

I appreciate that ten minutes can sometimes feel rather quick, particularly when there is so much to discuss about your child! However, I hope the wider experience provided a valuable opportunity to spend time in the classroom, look through your child's work, speak with other parents and speak with a range of staff involved in their learning.

It was also lovely to see so many parents taking the time to leave encouraging notes. These small gestures can mean a great deal, and there is something particularly powerful about a child seeing their parents celebrate the effort and progress they have made.

As always, the most successful partnerships between home and school are built on open communication, shared understanding and a genuine interest in helping each child flourish.

Thank you for your time, your thoughtful conversations and your continued support.

Kind regards,
Tom

COMING TO DUBAI INTERNATIONAL ACADEMY ON TUESDAY 10 NOVEMBER 2026

Is Beauty only Feathers-Deep?

The Ugly Duckling is a musical comedy show written for young children and based on the famous fairytale by Hans Christian Anderson.

It is the story about a young bird who is mocked and bullied by his newly-hatched brother and sister ducklings because he is different from them. They think he is ugly! Even his mother thinks he is ugly! Feeling unwanted, unloved and alone he runs away - only to meet other farm animals who either reject him or want to eat him. Then the winter arrives - cold, freezing, icy and snowy. What is a young duck to do? How can our little guy survive? When spring arrives, he meets a flock of beautiful swans and has the surprise of his life! The Ugly Duckling is a delightful, musical comedy show with plenty of audience participation and interactive fun. Our young audiences will go on a journey with the characters where we explore themes of personal growth, discrimination, positivity, kindness and diversity.

This show is performed in English and sensitively adapted for young, international audience

Show times:

KG1, KG2 & Year 1 - 9:30 - 10:20 am

Years 2-3-4 - 10:40 - 11:40 am

Year 5-6 - 12:30 - 1:30 pm

The show will take place in the SS PE Hall, where all students will be seated. Students who are not watching will remain in class with one of the year level team teachers.

If you wish your child to attend this fantastic performance then please arrange an online payment of AED 60 via Zenda using either of the following:

ADHD AWARENESS DAY

THE REWIRED GALLERY

WHAT DO VISIONARY DIRECTORS, WORLD-CLASS ATHLETES, AND GROUNDBREAKING ARTISTS HAVE IN COMMON?

Their minds aren't built for conventional boxes; they are built to rewrite the rules entirely.

This ADHD Awareness Day, we are thrilled to feature The Rewired Gallery, a special pop-up exhibition designed to celebrate the unfiltered genius, creativity, and resilience of iconic figures living and thriving with ADHD.

WHAT TO EXPECT: A PEEK INTO DIVERGENT THINKING AND A CELEBRATION OF HUMAN POTENTIAL.

MEET THE CHARACTERS. HEAR THEIR STORIES. UNDERSTAND ADHD.

PARENT TALK

Parenting the i-generation

(for parents)

Our children live in a vastly different world from the world we grew up in.

Learn how you can raise **values-driven, happy, successful,** and **connected** children in today's world.

This seminar provides parents with a better understanding of popular cultural views being communicated to our families through technology, as well as insight into the effects of technology on the self-identity, cognitive abilities, relationships and physical wellbeing of children. Practical tips on how to have a healthy relationship with technology are also shared.
