# TAKING ACTION

Has your child been taking action out of school? Then we want to know all about it so we can celebrate it on our posters and displays in school...

Please email Mr Nick with any details at [nicholast@diadubai.com](mailto:nicholast@diadubai.com)

Ipek (5B) has been dedicating so much time into keeping her local community clean. Any plastic bottles or cans that she finds, she takes to recycle them at her local supermarket. She now sits in 330rd place in her points ranking in Dubai. An amazing effort and is aiming for the top 100 :)

Tia (5B) has been taking action by sorting through her unneeded toys. She then donated them to a local charity, which will make sure they go to a worthy home.

Roy (KG2E) has been showing his care and compassion on a weekly basis at the Stray Dogs Centre. Not only does he get to enjoy giving countless belly rubs and pats, but also takes time to give them a much needed feed and walk.

Anjaneya (KG2D) has been taking action in lots of different ways, showing amazing responsibility and thoughtfulness. In the above picture, he created a heartfelt card for an elderly neighbor to wish her safe travels as she returned home.

# SAVE THE LONELY SPOON!

## The story:

Every home has one, that spoon which isn't like the other spoons. You don't remember where it came from and you don't let it mingle with the others. That poor lonely spoon never gets used.

DIA Early Years wants to help! As an Outstanding school committed to sustainability initiatives and community engagement, we are there for your lonely spoon. Send them in to us and we will play with them, use them, and help them make new friends. It is time to end the loneliness.

## The meaning:

Of course the spoon is a metaphor for items that need a new home. Over the page is the Little Lonely Shopping list of items we can rescue, reuse and repurpose. Let's work together to turn "left behind" into "loved again!"

EMIRATES  
HILLS

REUSE

RECYCLE

# The little lonely shopping list

- Old clothes: for dressing up and inspiring imagination
- Kitchen items: pots, pans, cutlery, containers, whisks, anything and everything
- Amazon boxes, packaging, tubes, foam,...
- Mirrors, Tables, Chairs (please email James to discuss)

If it is in good condition and you think we might like it, we probably will! And even if we don't we will find someone who does.

Sometimes the box is better than what was delivered in it. A child's imagination is the most powerful and wonderful gift. Together our team can turn older once loved items into moments of magic again. Let us re-use, recycle and repurpose. Don't throw away the chance for joy in that item again. Let's show our children that a sustainable future is made by us, the community.

If you have any questions, or think you can be of help please contact James at [jamesh@diadubai.com](mailto:jamesh@diadubai.com)

## International Evening - Performance Sign up Information

Dear Parents,

We are thrilled to announce further details regarding the upcoming International Day at Dubai International Academy Emirates Hills! As we prepare to celebrate the diverse cultures that make up our vibrant school community, we invite you to sign up for student performances.

Primary students will require the coordination and supervision of parent country representatives. Each country is able to coordinate outside of school for rehearsals, however we have also allocated afternoon and weekend slots that may prove useful. Senior students will be managing their own performances, however, can be drafted in to support primary school, or perform together with them. This decision we leave to the primary parents and senior school coordinators.

If you have already signed up on the previous Form, then you can book venue slots [HERE](#)

If you have not and would like to register a performance, then please reach out to PADIA on [padialeadership@gmail.com](mailto:padialeadership@gmail.com). Please note that we recommend you resource your own performances e.g. speakers etc, as staff will not always be on hand to supply them. Please keep your email booking confirmation to present to security.

Kind regards,

International Day Committee
