Program Overview

**Culture &
Fun in New
York**

**History & Fun
in Washington
DC**

**STEM, Space &
Fun in Orlando**

Culture & Fun in New York

Day 1

Arrival in New York

Welcome to NYC! - arrive in New York and transfer to hotel for check-in.

Take some time to explore the neighborhood in the evening, provided your flight schedule allows.

Enjoy dinner at a local restaurant, followed by an overnight stay at the hotel.

Day 2

Sightseeing in NYC

The Statue of Liberty

Experience the Statue of Liberty up close with a scenic cruise around this iconic landmark, which symbolizes America's values of freedom, history, and democracy

Empire State Building

See the amazing New York City skyline in an immersive experience on the deck in the 86th floor of the Empire State Building

Walk down the Wall Street

Discover the world's premier financial district at Wall Street, that highlights the city's economic and cultural history.

New York Times Square

Immerse yourself in the vibrant energy of New York City with a walking tour of Times Square. Take in the live street performances, dazzling billboards, and do some souvenir shopping.

For dinner, savor the iconic New York-style pizza at Ray's!

History & Fun in Washington DC

Day 3

Central Park

Begin your day with a stroll through central park- a lush urban oasis which provides a pause from the city's hustle and bustle.

Road trip to Washington DC

Embark on a road trip to the capital city of Washington

Hershey's Chocolate World

Stop at Hershey's Chocolate Factory enroute to satisfy your sweet cravings with a delightful chocolate tour.

Shop and sample treats that are exclusively available at the factory.

Then, continue your journey to Washington, D.C.,

Overnight stay in the nation's capital, Washington.

Day 4

Guided tour to Washington DC

Begin your day with a guided tour of Washington, D.C., exploring **key historical landmarks** including

The Capitol,

Korean War Memorial,

Lincoln Memorial, and

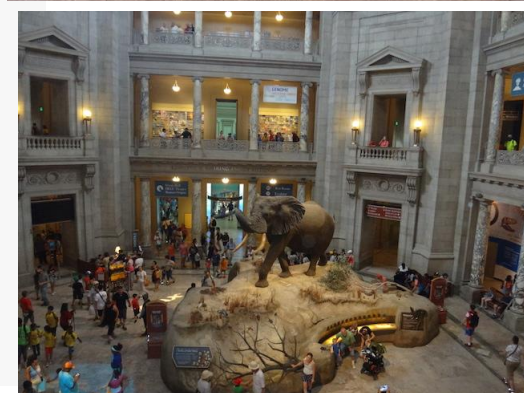

The White House.

Smithsonian National Museum of Natural History

Next, immerse yourself in the wonders of the Smithsonian Museum, home to over 126 million specimens ranging from fossils and meteorites to plants, animals, and cultural artifacts.

In the evening, catch a flight to Orlando to continue your adventure.

Overnight in Orlando.

STEM, Space & Fun in Orlando

Day 5-6

NASA's Kennedy Space Center

Visit 2 days included with Admission Gateway
